Court) was an Indian television courtroom drama anthology series about a defence attorney, K.D. Pathak, portrayed by Ronit Roy. First season of the show premiered on Sony on 20 November 2010 and ran for five years, ending on 11 July 2015. The series based events is produced by Contiloe Entertainment and stars Ronit Roy in the protagonist role. The show aired 431 episodes in its first season. Adaalat returned for its second season on SET on 4 June 2016 and ended on 4 September 2016. The show aired 431 episodes in its second season. [1] Plot Adaalat is a show revolving around K.D. Pathak (Ronit Roy), a suave, sophisticated, witty and yet unconventional lawyer. He can get his clients out of the tightest of situations. His success rate of acquittals is 100 percent. But most importantly K.D. stands not for his client, but for Justice. K.D. has an amazing eye for detail and an insatiable thirst for knowledge. He always seems to know enough about every profession, and what he doesn't know he covers up/makes up with his smartness. He is a quick thinker. K.D. steps into a case when all is doomed for the accused. All the doors are shut. When the prosecution has prepared a water tight open and shut case where even a blind man can tell that the accused is guilty then K.D. somehow performs a miracle. No one can see the case from the angle K.D. does. He digs fervently for loopholes in the prosecution's case much to their frustration and thinking on his feet, he manages to turn the entire case around. Often through histrionics, magical gimmicks (since he has recently started learning magic and uses a parallel between magic and justice that often what we see is not all there is something beyond it), performances, which the Judge does not approve of! And nor does his ex-love Maya (The Prosecutor who is often at the receiving end!) - But that is K.D. unstoppable, incorrigible and completely enthralling and entertaining. The prosecutor will always leave broken-hearted with this man.
